ABOUT

I'm a humorous Midwestern author and artist. I've studied film and design, working professionally in both fields. I've practiced at a wide variety of jobs, all within a narrow region of Illinois. I recently changed my locale with hopes of expanding my opportunities in the film and television industry.

EXPERIENCE

Barnes & Noble • Santa Monica, CA

Lead Bookseller

- **Bargain and Children's Lead**

I read a lot of books, stock them on the shelves, and try to sell them.
